

CERTIFICATE TRACKS AND SEMINARS AT MASON

The new *Contracting with the Federal Government* certificates are being offered by George Mason University in association with The Public Contracting Institute. This program is designed to help government contracting professionals better perform their jobs, grow in their careers, and succeed in the government contracting environment. Students may take courses individually, or may qualify for a Certificate of Completion in their chosen track.

The three tracks offered:

**Government Contracts Accounting
Contract Formation and Administration
Masters Academy in Government Contracting Certificate**

Government Contracts Accounting Certificate

(Requires 10 days of training.)

Stand Alone Class:

Cost Accounting Standards (CAS) (Can be substituted for one 2-day class in the Accounting track)
